Our Course Models

Flair Mania™
BARISTA ACADEMY

Offline Model

In the Offline Model, students will attend classes at our academy.

- Daily 2-hour classroom sessions
- Hands-on practical training
- Personal guidance from trainers
- Placement assistance and career support provided after course completion

This model is best for students who prefer face-to-face learning and direct interaction with trainers.

Hybrid Model

The Hybrid Model combines online learning with practical offline training.

- Theory classes conducted online
- Practical sessions at our training partners near your location or city
- Barista practice kit provided for home practice
- Placement guidance and support included

This model is perfect for students who want flexibility along with real practical experience.

Online Model

The Online Model is completely digital, so students can learn from anywhere.

- Full course conducted online
- No need to visit the academy
- Live and recorded training sessions
- Placement guidance and support through our app
- Flexible learning schedule

This model is ideal for students who want to learn from home or from any location.
